MUSICANOTE · Score Annotation for Education

Keep the Lesson on the Score

Choose bars or notes in a score and attach analysis, knowledge, playing technique and video links. What was explained in class stays with the score, to review and share.

Annotation editor on musicanote.com · bar 4 selected, a lesson note being written (unpublished draft)

FOUR WAYS TO CHOOSE A RANGE

Measure
One bar or several

Area
Any part of the page, boxed

Note
Individual notes

Segment
A continuous passage

How It Works

1

Choose a Range

Pick Measure, Area, Note or Segment in the left menu.

2

Select on the Score

Click or drag over the place you want to explain.

3

Add Content

Write analysis, knowledge and technique on the right; attach videos and links.

What You Can Keep

Analysis
Knowledge
Notes on harmony, structure or single notes.

Technique
Playing Tips
Hand shape, dynamics, pedalling and more.

Media
Links, Images, PDF
YouTube videos, external links, images and PDFs.

Classes
Sharing
Public, or for class members only.

Made For

Music Teachers · Students · Private Tutors · Researchers
